STANWOOD R. MORSS, BRADFORD, MASS. AS NEW MEMBERS.

CONGRATULATIONS TO MR. & MRS. JOHN KALMBACH, JR., UPON THE ARRIVAL OF A SON ON JULY 16th. BOTH MOTHER AND SON ARE REPORTED TO BE DOING WELL. LOOKS AS IF WE HAVE ANOTHER PROSPECTIVE DXER IN THE BUFFALO LOCATION. MERLIN STEEN AND BILL STONE ARE BOTH IN ARMY SERVICE AND I HOPE THAT MEMBERS WILL DROP EACH OF THEM A LINE NOW AND THEN. IT IS A VERY ENJOYABLE MOMENT WHEN MAIL IS RECEIVED FROM THE BOYS THAT THEY HAVE BEEN IN CONTACT WITH EITHER PERSONALLY OR BY JUST READING OF THEIR ACCOUNTS IN THIS BULLETIN. I AM INSERTING BOTH THEIR ADDRESSES SO PLEASE WRITE.

It is with regret that I have to inform you of the death of CLIFF TAVENER. I did not know this until the latter part of June. CLIFF died on May 2 1941. All I can say is that the N R C has lost a real DXer and a swell fellow. A sympathy card was sent in the Officers & Members names.

A card has been received here from David W. Jefferies the C.E. of Radio station W C E D announcing that they test the LAST TUESDAY of each month and requests reports, also pass this information to the other clubs.

RANDOLPH HUNT LEUCADIA CALIF Most recent verie is KINY for report on May frequency check, a follow up brought letter from W.R. Nichols the chief operator, he said letter had been filed before being answered, that my report was correct in every detail. 1YA sent their card as postal it passed the censor, in same mail bulletin of NZDXRA in wrapper was received uncensored. This year's 2YA card makes four different types from them, this station first verified in 1932. Received a card from Jr., Carberry out in Utah, he seemed to know where he was, so I guess that wrong way Kalabach was not at the wheel.

PAT REILLEY JAMESTOWN N.Y. Heard 2 new ones since last report, WINC and signed by Program Director, Pollock; WCED out 4 months and 7 days signed by David W Jefferies C.E.; A report to WWSR who has WQDM's spot on the frequency checks. Still have WFNC-WKNY-WALB-XEMC-XEGM-CMJN-CMKN-HJAN-WGAC(3 rpts) and WLOF out yet. I kissed the Spicks good-by long time ago and kicked myself for even reporting to them.

GRANT BATSON WESTFIELD N.Y. Reports out to WKNE-WERC. Veries received cards from WTAQ-WBAJ-WERC and letter & card from JLG4; WERC is a Columbia station and call stands for Erie's Radio Center, signs on at 7:30 EDST. WKNE logged on June 30th signing on at 6 AM EDST. Havnt received a single verie since June 28th. Too much hard work and long hours so DXing has been sadly neglected, but will start again soon.

LEO HERZ CHICAGO ILL No DXing done for a few weeks and no new veries. WCBQ chicao is on their new freq of 820 kcs and their sked is from 7AM to 8:30 PM EST. Some of you fellows should be able to log them now. Got myself a 5 tube Lafayette portable, did not do much in the way of DX on it but logged WCKY-WSM-CBM-WMT-WLAC-WMRO and a few more. Hope to be in Buffalo for the convention.

AL BARTHOLOMEW BRADFORD N.Y. Well I finally did receive my verie from 4YZ and 2HD. 4YZ sent a swell letter verie and stated that they were the southermost city and radio station in the world. 2HD sent a nice card verie and letter. These 2 TPs bring total to 32. By the way 4YZ brought my total to an even 100 foreignerBCB veries, this does not include CANADA-MEXICO or CUBA but everything else. Out of 80 reports sent last season 75 have verified. Am still waiting for XBAI-HJAN-TIEP-WDAK and 4SB. Probably best verie for the past season were, KMYC-KUIN-KODL-KENO-XEH-CHGB-KTQH-HC2AJ-2HD-ZYH-4YZ to bring all verie total to 1224 of which 221 are more than 2000 miles distant. Have 102 Canadians, 50 Mexicans, 36 Cubans, 100 other foreigners and the rest are in the USA. Here's hoping for good DX in 1941-1942 season. (Will see you Sunday Al. (Ray)

JACK WILLARD DENVER COLO. No time at present for DX. Am working at present out of Cheyenne and are instalng a transcontinental carrier line for the AT&T Co. This carrier line operates on a radio frequencies between 8 and 500 kilocycles and we have to equipt booster stations every 17 miles across Wyoming and Utah. During our lunch hour each day we have a contest shooting ad jack rabbits and rattle snakes. A running rabbit counts 50 points, a snake counts 25 points and a standing rabbit counts 10 points. After this last weeks scores are figured up I think I will be in 3rd place. (This sounds like a swell contest jack) Only DX I have heard was WGH and did not get a chance to send a report. Bought a little Echophone receiver to take with me but as yet havnt erected an antenna. Its a good little receiver and it sure pulls in the stations, almost as good as the SX-24 which is collecting dust at home. (Will look for that report Jack and hope that you win that shooting contest-Ray)

TOM CARBERRY SOMEWHERE IN THE USA Finally hrd Wyoming but had to come there to do it. Having a swell trip. (Tnks for the K800-KELO verie-Ray)

We are very thankful to have a couple members as Steve Mann and Grant Batson. The lists as supplied for South America took quite some time of Steve's time and it is hoped that all you members will make good use of them. With the coming season not so far off we hope that you will be able to land a lot of these especially now that you have a letter in Spanish to send along with your report. To Grant Batson many thanks for the lists of those Indian stations. Let's hope these too are heard this season.

## GNSWLC-IDA-IRT CONVENTION

NOTICE

The above convention will be held in the beautiful Netherland Plaza Hotel, Cincinnati, Ohio on August 15th, 16th and 17th, 1941. DXers, SWL's, YL's, XYL's, OM's and Hams will be here to take part in this gala affair. This is the most outstanding convention the hobby has ever seen and we assure each visitor one swell time.

Convention opens on Friday evening August 15th at 8:00PM in the Hotel and after the meeting there will be introductions to those on hand. At 10:00 PM that evening we will take in a floor show at a local nite club. Admission to delegates will be Thirty (30) cents plus a nominal charge for refreshments.

On Saturday morning at 2 AM just after the nite club floor show, there will be a DX broadcast till 3 AM. At 10 AM we will tour the downtown stations and introduce the delegates to the station staffs. At 2 PM until 4 PM we will hold the convention meeting. At 4 to 6 PM we plan on a movis of Ham events, field day etc. The gala banquet (a full course dinner) will be held in the famous "Hall Of Mirrors" at the hotel. Right after the banquet there will be dancing.

On Sunday morning August 17th we hold the most outstanding DX broadcast of the season from 2 to 4 AM with staff artists taking part. There will be comedy, lots of good music and all delegates will take part. The two broadcasts will be over different stations. At 10 AM the men will go to the private grove for a real honest-to-godness hamfest with all they can eat and drink all day. The ladies will be taken to "Coney Island" (Cincinnati's playground) for a real time. The men who wish, may escort the ladies or leave the hamfest at anytime to spend the remainder of the day with the ladies. However a special body will retire from the hamfest about 7 PM to enjoy Coney Island with the Ladies, their families and friends.

There are many beauty spots in this city that one can see and visit during "in-between-times" at the convention. If interested parties will forward a three cent stamp, we will mail them a special convention bulletin of our four pages to acquaint them with the convention program, dates and time the various events take place and the most interesting spots to see in between the various events.

signed Mr. George H. Jacobs, Pres.

The above sounds as if all who attend will have one grand and glorious time. It is too bad that I am so far away as I would really like to attend this affair. (Ray)

DONT FORGET OUR OWN CONVENTION IN BUFFALO ON AUGUST 30-31, Sept 1st. MAKE YOUR PLANS NOW TO ATTEND. SO FAR CALIF, ILL, IOWA AND OHIO WILL BE REPRESENTED.
