From the Publisher ... Good news for those who like to listen to AM radio on the Internet: CHWO AM 740 has started streaming on the Internet at <<http://player.streamtheworld.com/player. php?callsign=CHWO>>. And just in case you didn't realize it, CHWO celebrates its 50th anniversary this mont: read more at <<http://www.odxa. on.ca/chwo/history.html>>. Another station your publisher listens to often is www.wamsoldies.com, and not just because Dave Schmidt ... er, Williams may be heard there evenings and weekends! Any other favorite AM stations in your area streaming via the Internet? Let us know!

Welcome to these new members ... Don E. Sawyer, Suffolk, VA; Peggy Leifert, Woodridge, IL (rejoins); Bogdan Chiochiu, Pierrefonds, Quebec (rejoins); Roger Roffino, Newfoundland, NJ; Michael J. DeRoo, Roeland, Park, KS (rejoins); Bob King, Sardis, OH. And we welcome Kermit Geary, who recently renewed for the 74th year (see below).

Unfilled positions ... We're still in need of volunteers for the following positions, as described in detail in V73, #27, the June '06 DXN: A person to maintain the e-DXN site; one or more additional moderators for e-DXN; one or more persons to edit future NRC publications; one or more persons to scan or retype reprints currently in print; one or more persons to scan verie letters to be placed on the NRCDXAS web site; several persons to research and prepare a book in commemoration of the NRC's 75th anniversary; a "Confirmed DX'er" editor; a "DX Targets" editor; a technical column editor; a nationwide QSL coordinator (preferably a joint NRC/IRCA/WTFDA member); someone to type e-mail reports for members who don't have computers.

DX Time Machine

From the Pages of DX News 50 years ago ... from the December 1, 1956 DXN: In a letter entitled "Why Are We Cheating Ourselves?" Hank Holbrook, Bethesda, MD, proposed the addition of the longwave band to the Club's coverage, citing the similarity of reception conditions and the overseas use of this band.

25 years ago ... from the November 30, 1981 DXN: Rick Carr, Austin, TX took over GYDXA from Bill Bergadano, announcing that he would print 1450 kHz achievements in the next column.

10 years ago: Peggy Leifert, Woodridge, IL described how she and her brother discovered a new station in 1976, "WNUR", although it probably was an unlicensed carrier current station from Nortwestern University nearby. She also noted that she had heard three of her most wanted stations in CKWX, CKOM, and KNBR the previous DX season.

DX Catches in the U. S. and Canada, with 24-hr. ELT

DDXD-West

FROM THE VAST WESTLAND

- Shawn Axelrod and Wayne McRae made their first DXpedition of this season to Vallhalla Beach, and we are pleased that Shawn sent along some loggings made during it. Says Shawn: "A good DX-pedition with some great catches.... The best catch was 1690 WMLB. This means that I have heard all the expanded band stations currently on air! One goal fulfilled DX wise for me." Congratulations, Shawn! To see more of what Shawn and Wayne heard, look for the (VALDX-MB) entries in the "Regular Loggings" and "TIS" sections below.
- As we are closing out this week's column, two big stories involving radio station super-owner Clear Channel Communications are hitting the wire. First, Clear Channel is being purchased by two private equity firms for \$18.7 billion, or \$37.60 per share. Second, Clear Channel has announced plans to sell about 40% of its 1,150 radio stations, all in below-top-100 markets, along with all of its 42 television stations. Both these actions are bound to have at least some effect on our hobby, although just what and when is hard to say. Stay tuned, and we will find out together. 73 Bill

Station News

- **1150 KWKY IA Des Moines. 11/11 1555.** Test tone heard until about 1615, then Christian pop until 1632. No ID or other announcements until around 1628. I figured they were testing the 2.5 kw daytime CP. Wrong. Per phone call, they were having trouble getting the Notre Dame Irish feed; CP has been on for about a week. (DB-IA)
- 1600 KGYM IA Cedar Rapids. Ex-KCRG (see DDXD-W "Station News" #74-8 Ed.-WI). Per new owner, KZIA, Inc., call change went into effect 10/30. Still ESPN and still relays KCRG-TV and ABC TV news from 1800 to 1930 ELT. (DB-IA) (My understanding is that the ownership change made the call change necessary. Since the owners of KCRG-TV no longer owned KCRG AM, a call change was in order. Ed.-WI)

Regular DX Loggings (times in ELT)

580 KMJ CA Fresno. 11/2 0900. ID by a man: "Newstalk 5-80 KMJ Fresno." Very good. (REW-HI)

4			
660	KTNN	ΑZ	Window Rock. 11/8 2005. "660 KTNN Window Rock-Crownpoint." Heard Navajo drums and singing, then into a male announcer speaking in Navajo.
670	KDLG	AK	Strong signal and #2 for Arizona. (LK-SD) Dillingham. 11/7 0848. NPR reports from Baghdad and Washington; at 0851 NPR announcer: "You're listening to news analyst Timothy Roe (Rose?)",
			followed by other stories. Quite good through KPUA open carrier (tests on my local are very rare); at 0856 KBOI took over. At 0848 KPUA audio abruptly back on, but at 0900 the KDLG ID was audible. New, Alaska #15. (REW-HI)
670	KBOI	ID	Boise. 11/7 0856. Talk about voting; "Join us on KBOI." Later, "Right now it's 68 degrees at KBOI," and promo "KBOI news, traffic and weather every 10 minutes, right here on KBOI." Good over KDLG through KPUA carrier; at 0858 KPUA back on. Good; not heard since KPUA moved from 970 to 670 two decades ago. (REW-HI)
790	KWIL	OR	Albany. 11/4 2200. Gospel song "Praise the Name of Jesus." Good, dominant over KABC, KKON. (REW-HI)
800	KBFP	CA	Bakersfield. 11/3 2354. Sports, event "en Bakersfield… por La Preciosa," SS oldie, romántica song. At 2400 EE ID by a man: "This is KBFP Bakersfield…" into SS "…es La Preciosa," into 1940s style tropical melody. Very good atop
820	KUTR	UT	XEROK. Powerful signal for 440 watts at 2445 miles. (REW-HI) Taylorsville. 11/12 0635. Good signals with Utah Highway Patrol announce- ments and "AM 8-20" IDs. (VALDX-MB)
880	ККМС	CA	Gonzales. 11/4 2200. ID by a man: "You are tuned to the Central Coast's Christian radio, KKMC Gonzales," into gospel. Very good. (REW-HI)
890	KVOZ	ТХ	Del Mar Hills. 11/12 2351. Strong and steady in WLS null with SS vocal music and "La Cadena Cristiana" slogan. (BW-OK)
950	WNTD	IL	Chicago. 11/11 2300. Good signal under CFAM with SS talk and clear EE ID. NEW. (VALDX-MB)
960	KFLN	MT	Baker. 11/9 2106. On top with local news, weather, ID, C&W. Probably day power. (DB-IA)
960	KMA	IA	Shenandoah. 11/12 2359. Local ad, weather, "Regional Radio" slogan into ABC news at 2400. (BW-OK)
990	KSVP	NM	Artesia. 11/13 0002-0006. Fox Radio news, promo for a coach's call-in show, "AM 9-90 KSVP" ID at 0005. New one for me! (BW-OK)
1030	KTWO	WY	Casper. 11/4 2325. C&W (matches listing for weekends in NRC Log week- days are newstalk), ID; good over/under WBZ. (REW-HI)
1030	WBZ	MA	Boston. 11/4 2329. "WBZ weather." Good over KTWO. Has become the most regular East Coaster here, replacing WQEW 1560. (REW-HI)
1030	WBZ	MA	Boston. 11/8 2340. CBS news at 2400, traffic at 2403. Male announcer, "I am (missed) on the WBZ 24-hour traffic network." Mixing with local pest KXRB 1000. Massachusetts #1 and 27 th state. (LK-SD)
1070	KATQ	MT	Plentywood. 11/14 1859. Out of C&W tune with ID by gal: "You're listen- ing to <u>your</u> radio, KATQ Plentywood" and into ABC news; Montana News Update followed after ABC news. Good signal with no QRM (KNX had not faded in yet). Listed as LSR-LSS, but it was 45 minutes after KATQ's sunset. (JW-CO)
1070 1180	KHMO WSQR		Hannibal. 11/9 2230. ID, then Jerry Doyle at 2233. New. (LK-SD) Sycamore. 11/3 1429. Heard here ex-1560 with "WSQR-WSPY Trading Post."
1230	WFXN	IL	Weak over two others. A little daytime skywave helped. (DB-IA) Moline. 11/15 1759. Legal ID (slogan "Fox Sports Radio 1230") into the Fox National Sports Report at ToH. Long-sought-after call change (ex-WLLR; goes back to 3/03) for this relatively close graveyard station (128 miles). (Ed
1300	KKOL	WA	WI) Seattle. 11/6 2221. The Mike Gallagher Show. Very good, new, surprising; KAPL OR is usually dominant here despite its lower power. (REW-HI) (In AMS #74-7, Bill Hale reported that KKOL's CP for U4 50000/47000 from a new site is on the air. This no doubt explains why Richard is suddenly hearing this station. EdWI)
1330	KWLO	IA	Waterloo. 11/10 2200. "KWLO" by a deep-voiced male announcer. QRN and WVHI QRM. (GH-IL)
1400	KODI	WY	Cody. 11/14 0459. Canned legal ID by man: "You're listening to KODI AM

			Cody, Wyoming" and seemed to go into CNN News, although the CNN could have been another station popping through (KODI not listed as CNN). Fair
1400	KQDJ	ND	in QRM. (JW-CO) Jamestown. 11/14 0559. Legal ID by male voice: "This is Sports Radio AM 1400 KQDJ Jamestown, home of North Dakota (??)" Barely punching through the jumble. New here, ND #28. (JW-CO)
1460	KABL	CA	Salinas. 11/6 2243. Usual Sinatra and Friends format was preempted by football. At 2318 ID by a man: "You're listening to the Oakland Raiders Radio Network on 14-60 KABL Salinas." Dominant; KHRA still off. Heard an SS with romantic oldies, perhaps KRRS CA, and an intriguing EE unID with a talk show discussing college education. Any help on IDing that one? (REW-HI)
1460	KUTI	WA	Yakima. 11/7 0900. CBS news at ToH (KUTI's network affiliation not listed in NRC Log 27 th edition). At 0905 local news: state of emergency in 18 Washington counties due to flooding. At 0908 "That's your news. Coming right up more country classics right here on K-U-T-I (individual letters, not the pronounced "Cutie"; same K-U-T-I call ID also given a little later). Very good, mostly over KABL with KHRA off, new, WA # 27. (REW-HI)
1460	WBRN	MI	Big Rapids. 11/11 2305. Fair signals with local weather and ID. (VALDX-MB)
1490	KNDC	ND	Hettinger. 11/8 2235. Heard "Classic Hits" slogan several times. ID at ToH. Good with some QRM. New. (LK-SD)
1550	KXEX	CA	Fresno. 11/11 0859. Legal ID "…here on Sporting News Radio KXEX Fresno" and into SNR programming (NBA scores). Generally fair; first time heard since it switched from SS a couple of years ago. (JW-CO)
1560	КОСҮ	OK	Del City. 11/12 1800. A new Okie for me. Was able to get a decent null on KYAL
			1550, and this anowed me to log one of my closest dimeards. (DW-OK)
1560	KKAA		1550, and this allowed me to log one of my closest unheards. (BW-OK) Aberdeen. 11/12 1800. Quick ID mixing with KOCY Disney stuff. (BW-OK)
1560 1560 1560		MO	Aberdeen. 11/12 1800. Quick ID mixing with KOCY Disney stuff. (BW-OK) Joplin. 11/12 1801. Quick call ID on top of KOCY. (BW-OK)
1560 1560	WMBH WPAD	MO KY	Aberdeen. 11/12 1800. Quick ID mixing with KOCY Disney stuff. (BW-OK) Joplin. 11/12 1801. Quick call ID on top of KOCY. (BW-OK) Paducah. 11/13 0700. "That was the weather on AM 1560 WPAD" by a male announcer. Weak with QRM. (GH-IL)
1560	WMBH	MO KY	 Aberdeen. 11/12 1800. Quick ID mixing with KOCY Disney stuff. (BW-OK) Joplin. 11/12 1801. Quick call ID on top of KOCY. (BW-OK) Paducah. 11/13 0700. "That was the weather on AM 1560 WPAD" by a male
1560 1560	WMBH WPAD	MO KY GA	 Aberdeen. 11/12 1800. Quick ID mixing with KOCY Disney stuff. (BW-OK) Joplin. 11/12 1801. Quick call ID on top of KOCY. (BW-OK) Paducah. 11/13 0700. "That was the weather on AM 1560 WPAD" by a male announcer. Weak with QRM. (GH-IL) Avondale Estates. 11/12 0615. Good signals with nostalgia music and "Voice
1560 1560 1690	WMBH WPAD WMLB	MO KY GA	Aberdeen. 11/12 1800. Quick ID mixing with KOCY Disney stuff. (BW-OK) Joplin. 11/12 1801. Quick call ID on top of KOCY. (BW-OK) Paducah. 11/13 0700. "That was the weather on AM 1560 WPAD" by a male announcer. Weak with QRM. (GH-IL) Avondale Estates. 11/12 0615. Good signals with nostalgia music and "Voice of the Arts" ID. NEW. (VALDX-MB) TIS, HAR, Etc. ???? 11/12 2345-2405. NOAA Weather radio poking through WTDY talk. Mentions of Lower Colorado River Authority and occasional phrases like "highs in upper 60s" etc., heard but no callsign. The computer-generated voice really stands out but can be hard to understand. Googling turned up a mention (http://www.lcra.org/newsstory/noaafrequency.html) of the Lower Colorado River Authority moving NOAA weather radio broadcasts from 1610 to 1670 on June 12 (presumably 2006 but not specified). (BW-OK) (I did some Googling, too. According to http://www.bearcat1.com/infotx. htm, there are five TIS stations run by the Lower Colorado River Authority on 1670. They are: WQAN382 and WQBV749 Smithville (Bastrop County), WQAN382 and WQBV749 Webberville (Travis County), and WQCR945 Bay City (Matagorda County). The double listings for two cities are bothersome, so this info could be wrong. Also, I could not find out if any or all carried

IRCA Slogans List (2006-2007)

This new edition includes radio slogans from the U.S., Canada, and Mexico (over 3900), organized by frequency and then by location within each frequency. Prices: NRC/IRCA members: \$6.00 (U.S./Canada/Mexico/seamail), \$8.00 (rest of Americas/Europe airmail), \$8.50 (Australia/ Japan/New Zealand airmail). Non-IRCA/NRC members: add \$1.50. State club affiliation when you order. To order, send your funds to:

IRCA Bookstore - 9705 Mary Ave NW - Seattle WA 98117-2334. Please make checks out to <u>Phil Bytheway</u> (funds not made out to Phil Bytheway will be returned) or use PayPal to: fokker d8@yahoo.com; add \$.50 for PayPal service charges.

IRCA Mexican Log, 11th Edition (Winter 2006) - NOW READY

The IRCA MEXICAN LOG lists all AM stations in Mexico by frequency, including call letters, state, city, day/night power, slogans, schedule in UTC/GMT, formats, networks, and notes. The call letter index gives call, frequency, city and state. The city index (listed by state, then city)includes frequency, call and day/night power. The transmitter site index (listed by state, then city) tabulates the latitude and longitude of transmitter sites. This is an indispensable reference for anyone who hears Mexican radio stations. Size is 8 1/2" x 11". Prices: NRC/IRCA members - \$9.50 US/Canada/Mexico/sea mail; \$12.00 rest of the Americas/Europe airmail; \$12.50 Australia/Japan/New Zealand airmail. Non-NRC/IRCA members: add \$2.00. State club affiliation when you order. To order, send your funds to:

IRCA Bookstore - 9705 Mary Ave NW - Seattle WA 98117-2334. Please make checks out to <u>Phil Bytheway</u> (funds not made out to Phil Bytheway will be returned) or use PayPal to: fokker_d8@yahoo.com; add \$.50 for PayPal service charges.

Saludos Newfoundland DXpedition! Preliminary reports from Jean Burnell, Chuck Hutton, and Jim Renfrew echo conditions here; outstanding at dusk, and not much Latin American activity. Among the best catches, 720 *VOIRI* Iran with CHTN off the air. Looking forward to their report, but in the meantime there's plenty of DX right here.

Transatlantic DX

- 189 ICELAND *Rikisútvarpid*, Gufuskálar (64°54'N 23°55'W) NOV 8 0110 In good with music.
 [Barstow-MA]
- 531 **SPAIN** *RNE5* synchros NOV 16 0205 Good; end of news with *RNE* fanfare, synchro echo. [Conti-NH]
- 549 **ALGERIA** *Chaîne 1,* Les Trembles (35°17′N 00°34′W) NOV 9 2255 Woman singing one of those long Arabic songs; in fair to good with slop parallel 153 kHz. [Barstow-MA]
- 657 **SPAIN** *RNE5* Madrid (40°28'N 03°52'W) NOV 16 2056 Fair; Beatles "Come Together," parallel 1152 kHz. [Conti-NH]
- 693 **AZORES** *RDP 1,* Terceira (38°43′N 27°19′W) NOV 12 0040 Music with man talking in Portuguese parallel 837 kHz. [Barstow-MA]
- 693 **UNITED KINGDOM** *BBC Radio 5,* Droitwich et al. NOV 11 2114 Sports report, man in studio talking to correspondent on the phone, ID "Five Live" at 2117. [Brandi-MA]
- 711 **FRANCE** *France Info*, Rennes (47°51′N 01°30′W) NOV 11 2044 Talk in French, parallel 1206 and 1377 kHz. [Brandi-MA] NOV 16 0004 Excellent, over sub-audible het; woman with news in French, parallel 1206 kHz. [Conti-NH]
- 747 **NETHERLANDS** *Radio 5,* Flevoland (52°23′N 05°25′E) NOV 11 2047 Conversation between two men in Dutch, mention of Vlaanders. [Brandi-MA]
- SWITZERLAND RSR Option Musique, Sottens (46°39'N 06°44'E) NOV 11 2052 Rock music, woman DJ in French, more music. [Brandi-MA] NOV 15 2327 Excellent; French nostalgia, Queen "Bohemian Rhapsody," more French nostalgia, and Option Musique jingle. [Conti-NH]
- 792 **FRANCE** *France Info*, Limoges (45°56′N 01°10′E) NOV 12 0030 Talk; fair parallel 1206 kHz. [Barstow-MA]
- 837 **FRANCE** *France Info*, Nancy (48°53'N 06°14'E) NOV 12 0050 At the time over Azores with talk parallel 1206 kHz. [Barstow-MA]
- **FRANCE** *France Bleu*, Villebon-sur-Yvette (48°41′N 02°14′E) NOV 12 0055 Nice guitar rendition of "Sealed with a Kiss," man talking after in French; in good. Spain and France in good tonight. [Barstow-MA]
- 936 **MOROCCO** *RTM A*, Agadir (30°20′N 09°31′W) NOV 10 2225 Presumed this at times fading over *RNE5* Spain; typical North African percussion and strings. [Conti-NH]
- 963 **FINLAND** YLE Pori (61°28′N 21°35′E) NOV 8 0035 Man and woman in Swedish playing older popular music; in fair to good at times with another station underneath. Parallel 6120 kHz. New country. [Barstow-MA] Congratulations, nice catch!
- 972 **SPAIN** *RNE1* synchros NOV 8 0155 Man talking Spanish in a low voice; in fair parallel 684 kHz. [Barstow-MA]
- 999 **MOLDOVA** *Voice of Russia / TWR* Grigoriopol, Maiac (47°14′N 29°24′E) NOV 11 2057 Talk in presumed Russian (definitely a Slavic language); heard at 2111 retune mixing with Spanish station. [Brandi-MA]
- 1089 **UNITED KINGDOM** *TalkSport* synchros NOV 8 0225 Strong, sounded like an echo. Talking to Lisa about the stock market, parallel much weaker 1053 kHz. [Barstow-MA]
- 1125 **CROATIA** *Glas Hrvatske,* Deanovec (45°42′N 16°29′E) NOV 12 0135 Upbeat music with Spain under them. Parallel a much stronger 1134 kHz. [Barstow-MA]
- 1134 **CROATIA** *Glas Hrvatske*, Zadar (44°06'N 15°15'E) NOV 12 0145 With music, "Goodnight Irene"; in strong. [Barstow-MA]
- 1206 **FRANCE** *France Info*, Bordeaux (44°57′N 00°11′W) NOV 11 2031 Talk about football by a man and woman in French; parallel 711 and 1377 kHz. [Brandi-MA]
- 1215 **UNITED KINGDOM** *Virgin Radio* synchros NOV 11 2035 Pop music; "Spirit in the Sky" heard at 2101 retune with male DJ in English. [Brandi-MA] NOV 11 2135 Good, over *COPE*

8

fútbol; "Whatever Gets You Through the Night" by John Lennon, excited DJ mentioning party classics, "Born to be Wild" by Steppenwolf, and Virgin Radio Sky Digital promo. [Conti-NH]

- 1305 **BELGIUM** *RTBF Pure FM*, Marche (50°12′N 05°17′E) NOV 11 2225 Presumed, most likely this with pop music through *RNE5* synchros. *RTSH* Albania also possible considering the strength on other frequencies recently. [Conti-NH]
- 1305 **SPAIN** *RNE5* synchros NOV 16 2145 Good; alternating man and woman with fast paced news. [Conti-NH]
- 1323 **GERMANY** *Voice of Russia,* Wachenbrunn (50°29'N 10°30'E) NOV 11 2104 Presumed; talk in French. [Brandi-MA]
- 1377 **FRANCE** *France Info*, Lille (50°31′N 02°59′E) NOV 11 2037 Talk about football by a man and woman in French; parallel 711 and 1206 kHz. [Brandi-MA]
- 1395 **ALBANIA** *TransWorld Radio*, Fllakë NOV 11 2039 Presumed; 1394.82 kHz, barely audible at 2039, but heard in Slavic language at 2105 retune. [Brandi-MA] NOV 17 2140 Czech program; good but subject to deep fades. [Conti-NH]
- 1431 **DJIBOUTI** *R.Sawa,* Arta (11°31′N 42°50′E) NOV 13 1131- Male Arabic vocal droning on; in fair, assume them. [Barstow-MA]
- 1467 **FRANCE** *TWR* Roumoules (43°47′N 06°09′E) NOV 11 2040 Presumed; talk in possible German. [Brandi-MA]
- 1521 **SAUDI ARABIA** *BSKSA* Duba (27°20'N 35°45'E) NOV 11 2041 Talk in Arabic. [Brandi-MA]
- 1575 **UNITED ARAB EMIRATES** *R.Farda*, Al Dhabiya (24°11′N 54°14′E) NOV 11 2107 Rai/rock music, ID "Radio Farda" at 2109. [Brandi-MA]
- *Ralph speaks*: I was on Cape Cod for the weekend; my wife had a swing dance competition to attend. Swing dancing doesn't do much for me, so I had some free time on my hands and decided to take a page out of Mark Connelly's book and take a radio to the beach. I brought my Etón E1-XM to Mayflower Beach in Dennis, Massachusetts, starting at around 2015 on November 11. I hadn't brought an antenna, so all these logs were heard with the built-in whip in the E1-XM. This is my first real test of the radio since I bought it back in August, and I have to say I'm impressed with it. Since I only had about an hour before I needed to head back to the hotel, many of the logs are presumed instead of fully IDed, but I did get definite IDs on 1575 *R.Farda* and 693 *BBC Radio 5*, and IDed the *France Info* stations on 711, 1206 and 1377 through the fact that they were in parallel. I only wish I'd had more time to play. Clearly, I'm going to have to drag the E1 to the beach in New Jersey and see what I can hear with it.

Pan-American DX

- 600 **CUBA** CMKV *R.Rebelde*, Urbano Noris (20°35'N 76°08'W) NOV 17 2245 Strong early with "sonido cultural" program, discussion reciting poetic verse, "Es mi alma," then 1940s Cuban nostalgia, parallel 670 and 710, both also good signals. [Conti-NH]
- 1700 **MEXICO** XEPE Tecate (32°32′N 116°49′W) NOV 4 0457 High school football (Escondido Cougars vs. Mission Hills Grizzlies), announcement, "High School Football Game of the Week on Cash 17 Hundred," ad for wealth seminar, leadout, "Now back to the… Bank Studios at the… on Cash 17 Hundred," color analyst later promoted the University of San Diego game Saturday on the station. No callsign mentioned in either English or Spanish. Fair to poor; unID underneath, deep fades. [Park-HI]

International News

- **ANGOLA**: Broadcast Electronics (BE) has shipped to *R.Nacional de Angola* a new 4MX 100 kW medium wave transmitter. BE has indicated that it will be operating on **702 kHz**. [Steve Whitt, *Medium Wave News*, Nov 2006]
- **NORWAY**: *R.Netherlands* will be on the air via Norway on **1314 kHz**, NOV 22 2000-2400 UTC, for Dutch language coverage of General Election results. [Andy Sennitt, *R.Netherlands* via MWC] This item received too late for publication in the print edition of *DX News*, but posted in time for e-DXN online forum readers.

73 and Good DX!

Les Rayburn les@highnoonfilm.com Broadcast 100 Centerview Drive, Suite 11 Test Report Birmingham, AL 35216-3748 A periodic update of station testing activities

DX'er Mike Hawkins of ABDX/IRCA spoke with engineers at KNBR and found out some juicy information. KTCT 1050 khz, San Francisco, CA will be off the air on Tuesday night on November 28at 11PM West Coast Time for about 1.5 hours. KNBR 680khz, San Francisco, CA will be off the air on

Tuesday night/Wednesday night around 1AM West Coast for about 1.5 hours on November 29th. It should be noted that this off air period is tentative, and may be rescheduled without notice...but KNBR is almost never off the air opening up some real DX opportunities for those in the West/Southwest.

(*Later*) I apologize for some errors that were made in our reporting yesterday. Here are the latest updates and corrections:

KNBR 680KHZ SILENT PERIOD CORRECTIONS

Direct from Mike Hawkins "Since I was the one who talked with KNBR today and have been busy all day with interviews, I will now give you straight from the horse's...uh...mouth. I was trying to beg the guy to have a short silent period to coincide with the DX test where it may be possible for many to hear Helena MT if only KNBR was off. He said he couldn't do it (which I fully expected), but he said that on Tuesday (11/28), he will be taking KTCT/1050 down for 1-1.5 hours at 2300 PT, returning to the air on Wednesday (11/29) at 0000-0030. After one of the 50 KWers was back up, he would then take down the other one (KNBR/680) for the same amount of time, though he said this would probably be around 0100 PT. He stressed that the information was tentative, that it was not confidential, and that I could tell people in the hobby, as long as I made sure that I also let people know that it was tentative and exact details were subject to change. I told him that I had only heard KNBR off the air once (back in 1980), and during their silence, I logged Omak WA, Charleston WV and Raleigh NC. He was impressed (or at least sounded like it). He was very friendly as well, which I really didn't expect of a engineer responsible for two 50 KW stations in the Bay Area. Let's hope that they keep the schedule he mentioned, and that Lee can finagle (or however you spell that) the Helena station to do a second test to see how far away they can be heard in the absence of KNBR."

IMPORTANT NEWS ABOUT KKGR 680KHZ IN EAST HELENA, MT

Received from engineer Ron Huckeby: "That's 5,000 watts, not 500 for KKGR. I think I may be able to get the TX on for the 29th, but I don't know about the tones. The format is oldies, and the computer just keeps stroking with imaging, etc, so it should be distinctive. I was hoping some voice ID's would be in with tones on the CD's you sent. I will edit in my own, if I have time."

So I take that to mean the following:

A. KKGR 680khz will test at full 5KW ND during the joint "Big Sky DX Test".

B. Ron is being great to us, and will try to get another full power test during the KNBR silent period on the 29th. Though it may not have tones or Morse Code. Look for "imaging" stuff, like promos for the station, and oldies music.

C. I need to start putting in voice ID's to go along with the other test material. That's good news all the way around. If KNBR goes silent, and Ron can get another full power ND test, we may all have a shot at putting KNBR in our logs on the morning of the 29th. KBOI 670khz Silent Period Tonight! According to DX'er Bill Frahm on the AMFMTVDX E-Mail list, KBOI 670khz in Boise, Idaho will be off the air tonight for maintenance. We have not (yet) been able to verify this information, but I'd suggest being at the headphones tonight. Here is the original posting: "Let's add this to the fun. KBOI 670 will be off this Wednesday morning 12:05am MST to ?am." - Bill Frahm - Boise

Sorry for any confusion. All reports for the Montana DX Tests go directly to me. No reports should be sent to the stations. I would prefer to receive recordings rather than written reports for several reasons:

1. Easier and faster to verify.

2. Usually stations love to "hear" what they sound like at great distances. This makes it easy to share them with the staff. E-mail is always easier and faster for me. Postal reports and replies are expensive, labor intensive, and time consuming. If you must submit a Postal report, especially for the Montana DX tests, then the following rules will apply:

A. SASE must be included. Not stamps, dollar bills, etc. Self Addressed stamped envelopes. Period.

B. Recordings will be answered first. Best method is a CD, second choice is a cassette that is "cued" to the point of best reception. I don't have time to listen to 120 minutes of your DX.

C. Written reports only will be answered last. They take forever to check against logsand accurately verify. Usually I have to "create" a log from a variety of sources. Time consuming.

D. Do not report via both e-mail and Postal mail. Don't have time to waste answering both. If you have e-mail then use it. Hope this clears things up.

Based on this statement ending Setpember 30, 2006 compared to the statment publish last year, which ended September 2005, we are seeing some improvements.

Member dues for the printed *DX News* due to some reduction in membership and also the move to the new e-DXN. Fortunately, there was a dramatic increase in *Log* and *Pattern Book* sales to offset this lost income from dues.

Printing costs have remained fairly stable due to the move to Colorado and ability to print smaller quantities as needed. Thus the reduction in inventory.

All these economics so far have allowed us to postpone a dues increase even in the face of future postal rate increases due soon as well as the rate increase (from a discounted 32.6¢ to a full 39¢ per 24-page DXN) because the USA membership total has dropped below 500 members, caused partly by the move of many to e-DXN.

While the cash position is higher due to the above reasons, it is always highest just before publication of the weekly issues begin again in October. Weekly printing and postage costs reduce it significantly throught the next 8-9 months.

Finally, part of the increased postage rate increase will be offset by the elimination of special mailing software (\$249 per year) and a permit cost (\$160 per year), assuming that the number of USA members remains below the 500 mark. However, the USPS has proposed a first-class one-ounce rate of 42¢ to be implemented on May 1, 2007, which means that a 475-piece mailing of a 24-page or smaller DXN would increase in cost from \$185.25 to \$199.50. In comparison, a 500-piece mailing at the discounted rate of .326¢ cost us \$163.00.

On a yearly basis, then, postage costs will increase thusly: at the discounted rate: \$4890 (500 pieces); at the 39¢ rate: \$5557.50 (475 pieces); at the 42¢ rate: \$5985.

Shared techniques for both the new and experienced DX'er

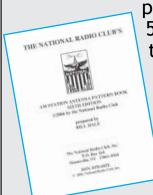

DX'ing does not have to be a grim serious undertaking, with the DX'er frowning with great concentration in front of the receiver. Casual DX'ing (also known as Armchair DX'ing) is very possible, and a lot of fun. Pick somewhere you are comfortable (which might just BE an armchair!), the back porch, kitchen table, den, wherever. Take some cheapo headphones, a clock or watch of some sort, a pen, and the portable receiver of your choice. Set up the receiver in a way comfortable for you, and casually tune thru the band. I for one have made a good "catch" or two (WTOP in Washington DC, for one) with a small Shack of Radio's receiver (no, not the venerated TRF, wish I still had the one I had in 1976) sitting in my lazy boy chair with the TV on. Jot program details, times, etc on the scrap paper for a possible reception report later. Or, to say the unthinkable, just listen and not write a thing if you don't want to send off a reception report (it's not heresy, Sometimes it is a blast to listen ... just to listen). Armchair DX'ing is DX'ing too, and well worth a try. 73

Expiring? Time to renew? Not sure when? Need to call or e-mail someone or join e-DXN or DXAS? Check the back page - it's all there!

NRC AM Radio Log, 27th Edition Orders are now being accepted via USPS mail or via Pay-

are now being accepted via USPS mail or via Pay-Pal (access www.nrcdxas.org), and orders will be shipped after September 20. The NRC AM Radio Log is unbound and three-hole punched for standard binders. \$19.95 to U. S. NRC members; \$25.95 to U. S. non-members; to Canadian members, \$23.00 (\$27.95 to non-members). Airmail to all outside of USA/Canada: \$29.95. Order from: NRC Publications - P.O. Box 473251, Aurora CO - 80047-3251. (CO residents, please add 3.5% sales tax.)

The NRC AM Station Antenna Pattern Book The all-new Pattern Book now includes daytime and "Graveyard" frequency

patterns for the first time. For those stations which operate with 50 kW (and higher in Mexico) non-directional (designated U1 in the AM Log), the day 'pattern' is shown to approximately the predicted 0.5 m V 1M coverage limits, while the night pattern is illustrated approximately 1.5 times larger. Stations in Alaska and

Hawaii are listed on separate pages at the end of the book. The basic list of U.S. and Canadian stations comes from the 26th Edition of the National Radio Club's AM

Radio Log. Mexican stations in the states bordering the United States plus those stations elsewhere which are easily heard in the U.S. and Canada are also included. All data is up-to-date as of November 1, 2005. Prices: \$16.95 to USA/ Canada NRC members, \$22.95 USA non-members, \$25.95, Canada non-members/all overseas orders. Order from NRC Publications - P.O. Box 473251, Aurora CO - 80047-3251. (CO residents, please add 3.5% sales tax.)
