

**NATIONAL RADIO CLUB
CONVENTION 1969**

**SAINT LOUIS, MISSOURI
AUGUST 29. 30, 31, SEPTEMBER 1**

WELCOME to SAINT LOUIS and to MISSOURI!

Your hosts of the 1969 National Radio Club Convention extend a very hearty, sincere WELCOME to the Gateway City in the Show-Me State, in the land where the "W" calls merge with the "K" calls. We hope that your visit will surpass your dreams of a weekend of fun and enjoyment, and achieve complete success in the quest to exchange DX information, renew old friendships, and make new friends. If you have any questions or if there is any way in which we could serve you or help you, feel free to see us. At least one of us will be on hand at all times in the meeting room or not far from it.

Sincerely,

Walt Breville

Dave Carlson

Bruce Reynolds

- - Your Convention Hosts

PROGRAM OF ACTIVITIES

Friday, August 29

- 12:00 on - The meeting room opens at noon, and will be for our use throughout the weekend until Monday noon. Early arrivals gather in meeting room this afternoon & evening for registration, getting acquainted, gabfests, etc.

Saturday, August 30

- Registration & informal get-togethers in the meeting room continue this morning.
- 9:30 am - All interested in taking the tour of Anheuser-Busch gather in meeting room and arrange car pools.
- 9:45 am - Leave promptly for Anheuser-Busch plant, home of Budweiser, Michelob, & Busch Bavarian Beer.
- 12:00 noon - Those remaining at the Parkway House gather in meeting room and make car pool arrangements for radio station tour.
- 12:15 pm - Leave promptly for studios of WIL AM & FM. Tour begins at 1:00 pm at WIL.
- 2:30 pm - Leave promptly from downtown St. Louis for the tour of the complete facilities of KXEN-1010, which begins at 3:00 to 3:15 pm there.
- 6:30 pm - The BANQUET begins, served buffet style in the meeting room. Following the banquet will be the DX Quiz, then talks by Richard Wood & Ernie Cooper, and awarding of the Ray Edge Trophy and Domestic & International DX'er of the Year awards. Attendance prizes & DX Quiz prizes will be given.

Sunday, August 31

- Sunday morning is reserved for church, sleep, or sight-seeing.
- 1:00 pm - Seminar on technical aspects of medium-wave DXing, with lectures by Gordon Nelson & Dave Fischer, followed by a question & answer session.
- 7:30 pm - Wayne Plunkett and possibly others will present a color slide show of previous Conventions of the past few years, along with shots of radio stations from Central America to Canada.

Monday, September 1

- A DX Session will take place starting around midnight and lasting far into the wee hours of this MM. We will have at least three or four communications receivers on hand, in addition to whatever portable receivers & equipment that you can bring. We wish you good luck dodging the thunderstorms in your quest for hearing new stations in a new location!
- The planned events are over, but the DX talk, bull sessions, and fellowship will remain for those who are still around.

NOTE: As this schedule was prepared in advance, please keep in mind that some individual items on our program may be subject to change.

This list of St. Louis Daytime reception was made from the results of daytime listening done by the St. Louis DX'ers. In some cases, stations with reception marked as "poor" may only be heard during the winter season. For the listings of power (in watts) --- "d" means a daytime or specified hours station. Fulltime stations have listed both the day and night power; however, the night power is omitted if identical to the day power.

The distances listed are given in air miles from the location of the Parkway House Motel to the downtown centers of the distant cities. In the case of St. Louis area locals, the distances given are to the transmitting sites.

.....

PROGRAM OF ACTIVITIES

Friday, August 29

- 12:00 on - The meeting room opens at noon, and will be for our use throughout the weekend until Monday noon. Early arrivals gather in meeting room this afternoon & evening for registration, getting acquainted, gabfests, etc.

Saturday, August 30

- Registration & informal get-togethers in the meeting room continue this morning.
- 9:30 am - All interested in taking the tour of Anheuser-Busch gather in meeting room and arrange car pools.
- 9:45 am - Leave promptly for Anheuser-Busch plant, home of Budweiser, Michelob, & Busch Bavarian Beer.
- 12:00 noon - Those remaining at the Parkway House gather in meeting room and make car pool arrangements for radio station tour.
- 12:15 pm - Leave promptly for studios of WIL AM & FM. Tour begins at 1:00 pm at WIL.
- 2:30 pm - Leave promptly from downtown St. Louis for the tour of the complete facilities of KXEN-1010, which begins at 3:00 to 3:15 pm there.
- 6:30 pm - The BANQUET begins, served buffet style in the meeting room. Following the banquet will be the DX Quiz, then talks by Richard Wood & Ernie Cooper, and awarding of the Ray Edge Trophy and Domestic & International DX'er of the Year awards. Attendance prizes & DX Quiz prizes will be given.

Sunday, August 31

- Sunday morning is reserved for church, sleep, or sight-seeing.
- 1:00 pm - Seminar on technical aspects of medium-wave DXing, with lectures by Gordon Nelson & Dave Fischer, followed by a question & answer session.
- 7:30 pm - Wayne Plunkett and possibly others will present a color slide show of previous Conventions of the past few years, along with shots of radio stations from Central America to Canada.

Monday, September 1

- A DX Session will take place starting around midnight and lasting far into the wee hours of this MM. We will have at least three or four communications receivers on hand, in addition to whatever portable receivers & equipment that you can bring. We wish you good luck dodging the thunderstorms in your quest for hearing new stations in a new location!
- The planned events are over, but the DX talk, bull sessions, and fellowship will remain for those who are still around.

NOTE: As this schedule was prepared in advance, please keep in mind that some individual items on our program may be subject to change.

Please note:

Good food is available in the dining room of the Corinthian Room of the motel. The coffee shop is ideal for breakfasts and light meals. For quick, very inexpensive lunches and snacks, the McDonald's Hamburger Drive-in next door can't be beat. Across the street is Steak-n-Shake drive-in, with higher quality (and price) "Steakburgers" (40¢), chile, etc.

The Parkway House is located right on the edge of Northwest Plaza, which is within easy walking distance. This shopping center claims to be the largest of its kind in the world! Among the stores & shops (over 100 of them) is Allied Radio, which is reached by following the drives circling the shopping center around to the right while approaching the shopping center from the Parkway House.

Other radio stores in the area within driving distance include a Radio Shack outlet at 10483 St. Charles Rock Rd, and Gateway Electronics, which specializes in government surplus, at 6150 Delmar Blvd, near the eastern edge of University City.

To the following individuals and firms go the sincere thanks of the hosts and convention-goers of the National Radio Club Convention for their part in making our Convention a success:

Mr. Mort Davis, Parkway House Airport Motel

Mitzi Hirschboeck, WIL Radio, & others who gave their time.

The staff of Station KXEN.

Mr. Gordon P. Nelson

Mr. Ernest Wesolowski

Mr. Donald Erickson

Convention & Tourist Board of Greater St. Louis

Mrs. Elsie Fabel, American Gold Label Co.

-----plus anyone else that we may have unintentionally left out.

ANHEUSER* BUSCH & RADIO STATION TOUR

DIRECTIONS TO TOURS

FOLLOW CLOSELY

FROM PARKWAY HOUSE AIRPORT Motel to ANHEUSER BUSCH Plant: Tour begins at 10:45 am

From motel parking lot turn right into Lindbergh, go north 0.8 mile to Interstate 70, turn right into ramp marked I-70 EAST. Follow I-70 signs; "I-70 EAST", "THRU TRAFFIC", downtown St. Louis is about 15 miles.

When approaching downtown area, going thru it, & out other side of it, keep to left of the lanes in the highway. Beware of sign "I-70 ILLINOIS", do not turn off on that ramp! The highway then becomes Interstate 55 SOUTH, follow signs: I-55 SOUTH, "MEMPHIS". Keep to left lanes until the Gravois Ave (US-66) exit is passed, then the highway becomes 4 lanes each way, (8 lanes both directions) This is when you move over to right lane of highway, for you exit at the next exit: ARSENAL Street. Keep to left of ramp approaching Arsenal St.

Turn left onto Arsenal St, go east to 7th Street, turn left (north) onto 7th. Go two blocks north on 7th, then turn right onto Pestalozzi St, then immediately left into the VISITORS PARKING lot.

FROM ANHEUSER-BUSCH Plant to WIL Radio Studios & lunch: (Lunch at 12:15, WIL tour begins at 1:00)

Retrace back down 7th Street to Arsenal, right on Arsenal to I-55, turn right into I-55 NORTH, follow I-55 keeping to right & get off at next exit: GRAVOIS RAMP (North), (or East). Stay to left of ramp, go straight ahead into Gravois, keep to left lanes on Gravois, which then becomes 12th Street as it curves around to the left. Follow 12th Street north into downtown area, when 12th becomes extremely wide, stay to right, especially after passing Market, then Chestnut Streets. Our destination is the 12th & Locust Street Garage, because of one-way streets do this: turn right into Olive St, (next street after Pine St) then immediately turn left at next intersection into 11th Street, go one block north, then turn left onto Locust St..... Park in the garage just ahead: 12th and Locust Garage. Recommended for our lunch spot by our tour host at WIL, Mitzi Hirschboeck, is the Hollings Cafeteria, 11th & Locust. WIL is right around the corner at 300 N. 12th from Locust.

FROM WIL STUDIOS to KXEN: (Leave downtown St. Louis by 2:30 at latest)
-----KXEN tour starts 3:00 to 3:15

Go south to Chestnut St. (one block beyond Pine) or Walnut St. (2 blocks south of Chestnut, a block S. of Market). Chestnut or Walnut St are one-way east to Memorial Drive, which flanks the Third St. Highway (Interstate 70). Turn right onto Memorial Dr, look for and follow the sign "I-70 EAST - ILLINOIS " This takes you over the new Popular Street Bridge, follow Interstate 55 NORTH - INTERSTATE 70 EAST about six miles following Thru Traffic, then turn off onto Illinois HIGHWAY 111, go North on 111 seven miles, then straight under the underpass at I-270, the towers of KXEN will be visible to the right. Turn right onto the "access road" & go a half-mile, your'e there.

KXEN to the PARKWAY HOUSE, go back to Highway 111 & 270, follow I-270 about 15 miles ~~EA~~ WEST (towards St. Charles), turn off at exit LINDBERGH BLVD South, South on Lindbergh 4 miles to motel.

DX QUIZ

NATIONAL RADIO CLUB

CONVENTION 1969

ST. LOUIS, MISSOURI

- 1) Which of these stations is located farthest south in the state of Missouri?
(2 points) _____ (a) KTCB-1470 (b) KCRV-1370 (c) KWTO-560 (d) KBOA-830
- 2) Out of the 12 stations listed below, pick out the 5 which operate daytime only with a power of 250 watts. (One point for each right answer, minus one for each wrong answer)
- | | |
|----------------------------------|--------------------------------|
| ___ KSTL-690 St. Louis, Mo | ___ KSUD-730 W. Memphis, Ark |
| ___ KZYM-1220 Cape Girardeau, Mo | ___ WCAS-740 Cambridge, Mass |
| ___ WILY-1210 Centralia, Ill | ___ WYDE-850 Birmingham, Ala |
| ___ KGRB-900 W. Covina, Calif | ___ KWRC-940 Woodburn, Oreg |
| ___ WOW-590 Omaha, Nebr | ___ KID-590 Idaho Falls, Idaho |
| ___ CHIN-1540 Toronto, Ont | ___ KOY-550 Pheonix, Ariz |
- 3) Which station is located farthest west in the state of Illinois? (2 points)
_____ (a) WAIT-820 (b) WHBF-1270 (c) WGEM-1440 (d) WGNU-920
- 4) The current number of medium wave stations in the state of Missouri is:
(2 pts) _____ (a) 66 (b) 92 (c) 101 (d) 132
- 5) The current number of medium wave stations in the state of Illinois is:
(2 pts) _____ (a) 69 (b) 97 (c) 124 (d) 154
- 6) There is a station in North America operating on 1300 kc/s with call letters spelling out the last name of a prominent international DX'er. What is the call and location? (1 pt. for call, 1 pt. for location, both city and state must be included)
-
- 7) Five of the following stations are 1000 watts daytime only, while sharing clear channels with 50,000 watt fulltime stations. Pick 'em out. (1 pt. for each right answer, minus 1 pt. for each wrong answer)
- | | |
|-----------------------------|---------------------------|
| ___ WWOL Buffalo, N.Y. | ___ WLCU Louisville, Ky |
| ___ KTCG Gassville, Ark | ___ KIOA Des Moines, Iowa |
| ___ WEW St. Louis, Mo. | ___ WAVA Arlington, Va |
| ___ KFVB Los Angeles, Calif | ___ WHB Kansas City, Mo |
| ___ KGHO Hoquiam, Wash | ___ KCOH Houston, Tex |
| ___ KFML Denver, Colo | ___ WADE Wadesboro, N.C. |

8) Pick out the five stations in this list which operate 500 watts daytime only: (1 pt. for each right answer, minus one for each wrong answer)

- 9) KMAM-1530 Butler, Mo. WXLW-950 Indianapolis, Ind
- WAZE-860 Clearwater, Fla WJBD-1350 Salem, Ill
- KYRO-1280 Potosi, Mo WNLC-1510 New London, Conn
- KIEV-870 Glendale, Calif WWNY-790 Watertown, N.Y.
