Dear Members of the
National Radio Club

It is indeed my pleasure to extend a welcome to you who will be our guests in September of 1977.

Lincoln has established itself as one of the midwest's finest convention cities; a city where conventioners can get their business done and still have a good time.

Lincoln, Nebraska's capital city, offers many historical, cultural and recreational attractions along with excellent accommodations available for conventioners.

Good midwestern hospitality is a trait of Lincoln and its people. I am sure you will enjoy becoming acquainted with the warm and friendly citizens of our city.

If you have any questions, please feel free to contact my office. I am confident that your convention will be a successful and enjoyable one.

Sincerely,
