Dear Mr. Andrews:

We verify your reception of WCRI as stated in your letter of November 24, 1978. The information you enclosed was essentially correct except our records show that broadcast at 4:45pm CST.

WCRI is a 250 watt daytime station operating with a Harris MW1 transmitter.

We apologize for the long delay in acknowledging your letter. You caught us in the middle of a management change and license renewal, and your original letter was put aside for later attention.

Sincerely,

Shirley Haislip
