Dear Kelly:

Thank you for your DX letter of December 28. This will confirm your reception of 96/ERC at the times you indicated.

Also, thanks for the informative pamphlet on DX listening. I guess most of us at one time or another have DX'd, even if only to powerhouses like Chicago's WLS, or to hometown stations while we were away. You have an interesting hobby, and I hope this QSL will be a welcome addition to your collection.

Sincerely,

A handwritten signature in black ink that reads 'Jim Christian'. The signature is fluid and cursive, with the first letters of 'J' and 'C' being particularly large and stylized.
