Dear Mr. Andrews,

I am sorry that it has been impossible to keep up with the mail from our listeners and viewers lately and that, consequently, this acknowledgement of your CBO reception report has been delayed.

We appreciate the interest you took in sending us your detailed report of receiving our station Nov. 27, 1965. I enclose a QSL card with this reply and our Chief Engineer has asked me to send his thanks for your letter.

As a bit of background information, CBO is the Canadian Broadcasting Corporation's owned and operated AM station in Ottawa. We have an English-language TV station on Channel 4, a French-language TV station on channel 9, an FM station on 103.3 megacycles, and a French-language AM station which came into operation on 1250 kilocycles at the beginning of August 1964.

Thank you again for your letter.

Yours truly,

G. Ethier
