Dear Kelly,

While this has been a long time coming, I am happy to verify that you did, in fact, pick up CHWO Radio, at 1250 on the AM band, on the morning of February 13, 1978.

May I make a small correction for you, though: our ID's refer to us as "Halton Radio"...i.e. "CHWO, 1250 in Halton". The actual station is located in Oakville but we are the local voice for the area known as The Regional Municipality of Halton (like county) of which Oakville is a part.

Thank you for your interest and good luck on future receptions!

Yours truly,
CHWO RADIO LIMITED
