Hi Kelly -

Good hearing from you re DX WDBF DELRAY BEACH -

I keep thinking I've answered your note - but just in case- wanted to drop you this line -

The DECADES show is now on coast to coast- 17 cities- and working with about 20 more coming up during '79 -

have mentioned your name and address on several shows - and include the Louisville address too....and will continue to do so from time to time....

if you have a big band- jazz or nostalgia station in your area - or know of some, plez let me know and we will contact them re DECADES.... the radio show for real radio fans.....[fanatics]....

Let me hear from you from time to time and maybe we will get DECADES on in your area -

best for DX-ing -

V.K.
