Dear Kelly:

Thanks for your reception report of Wednesday, September 27.

I checked the log because I couldn't identify a couple of your log entries, i.e., the 11:00 pm News was ABC (We were CBS until a year ago) and the 11:10 show was entitled- "Speak Out Miami." Irv Schindler was the host.

The rest of your log was correct.

Again, thanks for your fine report. I know how difficult it is to hear WKAT to the north because of WSAI's dominance on the channel at night. We operate 5kw daytime and 1kw at night with a non-directional antenna.

Best regards from WKAT and good listening.

Sincerely,

A handwritten signature in black ink, which appears to read 'Art Smith', is written over the 'Sincerely,' line.
