Dear Kelly,

We at 3WQ are very happy to verify your reception of our station on Sunday Feb 17, 1980. We are glad you happened to tune in when you did, just a little latter and all you would have heard was HISSSSSS.

The sign-off you describe is ours and hope you will be able to catch some of our normal programming at some future time.

You are certainly welcome to stop by the station any time you are in Panama City. Look forward to meeting you.

Sincerely;

A handwritten signature in cursive script, which appears to read 'Stuart Graham', is written over a horizontal line. The signature is fluid and extends to the right.
