Goldsboro, N.C.

Dear Kelly,

This letter will confirm your reported reception of WEQR as stated in your report. The details agree with our logs of that date.

WEQR, Wayne County's only FMer, operates on a frequency of 96.9 mc. We use a 5kw transmitter producing a radiated power of 25,500 watts.

Thank you for the interest in WEQR and we hope you will listen to us often in the future.

Yours truly,

*Roy M. Pike Jr.*  
*Eng WEQR.*
