Goldsboro, N.C. 27530

Dear Mr. Andrews:

Thank you for your letter of April 27 reporting your reception of WSRC-FM in Goldsboro. We have confirmed the details you logged that evening. In answer to your question, the ERP for WSRC-FM is 3,000 watts.

We very much appreciate your interest, and your taking the time to write us. We hope you continue to listen to WSRC-FM.

Sincerely,

Willard S. Taylor
