WXQR Radio  
105.5 Megacycles  
Jacksonville, N.C.

Dear Mrs. Cook,

I am addressing this report of WXQR to you, as I know you will get it to the proper person. I want to thank you, first, for the time you gave my friend and me on our visit to your station. It was a most entertaining and educational experience.

This letter is to report my reception of WXQR on August 11, 1967 at 1210 EDT. This was my first log of the station and my first FMer from Onslow County. At the time of my logging, WXQR was putting in a fair signal but was reaching a surprising level on peaks. Some "splatter" was observed from WDNC-FM in Durham, just below WXQR.

The following details were logged by me. Please check them against your logs of 8-11-67.

1210 EDT	Ad - Boomtown Furniture New Bridge Street
1211-1230	Middle-of-the-road Music
1215	Dick Tallman Oldsmobile Ad
1217	Lost Colony Announcement
1225	Spot on V.A. Insurance Change
1230	ID, "This is WXQR, full time Stereo FM in Jacksonville, N.C."

I hope this report is of interest to you. If the above details agree with your logs, I would appreciate a verification. Return postage has been enclosed for your convenience. Thank you for your time and effort.

Yours truly,

Kelly Andrews

*Dear Mr. Andrews -*

*This will verify the above as  
being correct.*

*Cordially,  
Paul Fisher, Mgr.*
