Kelly T. Andrews  
305 S. Jefferson Street  
Goldsboro, N. C., 27530

Dear Mr. Andrews,

Thank you for the report on our signal in your area. We are new in the FM spectrum, having gone on the air June 3rd of this year.

This will confirm that your report on programming June 9, 0034--0051 was correct according to our logging tape.

We have in operation a Visual FM Transmitter rated at 20 kilowatts and a 12 bay Schively Antenna which gives us an effective radiated power of 100,000 watts on 103.3 MHz.

Yours truly,

Raymond Shelton

Corporate Engineer  
Piedmont Broadcasting Corp.
