Dear Mr. Andrews,

Thank you for your letter regarding your reception of CBC Radio on December 22nd, 1975.

This is the first letter that I have received from you, and as my predecessor is not now in Barbados, I cannot say whether your first letter was received. I have, however, personally answered several letters from persons overseas who have picked up our service from time to time.

I can now confirm that the reception you described was in fact, CBC Radio.

Again, thanks for the report.

Yours faithfully,
