Mr. Kelley Andrews,
3417 Chalfont Drive,
Richmond, VA 23224

Dear Mr. Andrews:

Thank you for your report of reception of our signals November 27, 1977 during our annual Proof of Performance testing. We depend on your organization to let us know "how we are doing" and the fact that you were able to get us over WOIC shows that we were kicking up a fuss up your way.

Very truly yours,

Ralph E. Gaskins, C. E.
