Kelly Andrews
819 Tipperary Drive
Greensboro, NC

Dear Friend:

This letter is to affirm that you did indeed receive our station WJMW, on Wednesday Oct. 15 1975, as stated in your letter.

After checking my program log on that date, there is no doubt that you received WJMW. My log compared almost word for word to the information in your letter.

It is good to know you good people in N.C. received us.
