REF: Verification of Receipt of Signal.

Dear Mr. Andrews:

Thank you for your letter of January 13, 1979 concerning the receipt of our radio signal. It is always a pleasure for us to hear from ALL of our listeners, especially those of you from so far away.

We are pleased to advise that your transcription of our radio log from the period beginning at 12 Midnight EST and ending at 1214:20 AM EST on January the 9th, 1979, exactly matches that recorded on our station log for that same time period. Your transcription further identifies the frequency check being conducted at that time.

Thanks for your interest in radio -- Good luck and good listening from all of us at WLET and WLET-FM in Toccoa, Georgia.

Sincerely yours,

  
Jan J. Bethke  
Chief Engineer
