Dear Kelly,

This is to verify that WEZJ was on air for frequency measurement from approx 4:00 - 4:15 AM July 1, 1978.

Kelly, we have moved studios since '78 and your letter was misplaced. Thank you very much for taking time to write us. I've been stand. by engineer since around 1965.

If you come by this way again stop by our studios in Jackson Mall.

Sincerely,
David Smith
