Dear Mr. Andrews:

I am pleased to confirm your reception of Radio Station
KVOL on June 4, 1968 at 12:20 to 12:30 A.M., CST.

At the time of your reception, KVOL was operating 5 KW
non-directional and running a frequency check for
Commercial Radio Monitoring Company, Lee's Summit,
Missouri.

At first glance it looks like Mr. Robert L. Foxworth, P.O.
Box 5283, Raleigh, North Carolina, on April 4, 1967 was
the last reception report received from your state.

Thanks for the reception report, and enclosed please
find additional information about KVOL.

Sincerely,

A handwritten signature in black ink, appearing to read 'W.A. LeBlanc'.
