

WJBO

RADIO 1150

October 13, 1978

Mr. Kelly Andrews,
7016 Montauk Drive
Richmond, Virginia 23225

Dear Kelly:

This is to confirm your report of reception of WJBO, 1150 Kilohertz, on Saturday, September 23, 1978 from 1230-1249AM CDT. WJBO is 5000 Watts, day and night, and we have a three tower directional antenna array. Our pattern shoots mainly East and West with nulls North and South.

Sincerely,

Handwritten signature of Ed Oliver in blue ink.

Ed Oliver
Chief Engineer WJBO
