

THIS IS TO VERIFY YOUR RECEPTION REPORT OF

WSJC 810 KHZ at 7:09 to 7:29 10/16/76

WSJC began operation on March 22, 1967 on 810 KHz with the authorized power of 50 KW. We now operate 50 KW non-directional from local sunrise to local sunset.

WSJC Transmitter and Studios are located 2½ miles East of Magee, Mississippi on Highway 28.

Thank you for your report.

A large, stylized handwritten signature in blue ink, appearing to read "Larry Kelly", is written over a horizontal line. The signature is highly cursive and loops around the line.
