Mr. Kelly Andrews

Richmond, Virginia

Dear Kelly:

It was nice too to hear from you and to learn you received WCPS so well in Richmond. This letter is to serve as verification that you did indeed receive WCPS, 760 Kilohertz on Tuesday afternoon, November 8, 1977 between 4:25 p.m. (EST) and 4:50 p.m.

Kelly, if you are ever down in the Tarboro area, please stop in to see us. You might also check for possible reception of our Sister Station WKTC, 100,000 Watts at 104.3 FM. Both stations operate out of the building in Tarboro.

Sincerely,

Robert L. Harper
Manager
