A SERVICE OF NORTHEAST COMMUNICATIONS CORPORATION

Dear Kelly,

Please pardon the form letter, but it saves us a lot of time for verifications as this!

I am pleased to verify your reception of WFTN, 1240 kHz, on the following conditions:

DATE HEARD: 12-8-75 TIMES:0113 1000 watts 250 watts

Thanks SO MUCH for your call - I really appreciated talking to you. If you hear us again, drop a line!!!

WFTN generally tests every other Monday Morning from 0030-0200 E.S.T. for various reasons, although mainly for DXing purposes, with full power. WFTN uses IDs between each records, with telephone numbers, etc. Music is rock, and many oldies. WFTN will be glad to test at other times upon written request from viable sources.

WFTN should be receiving an FM outlet, and will be going 24 hours on AM (NOT NSP) in 1976, but for the time being, here is its weekly schedule:

MONDAY	THRU	THURSDAY	0530-0010	WFTN USES ID JINGLE
FRIDAY	ONLY		0530-0110	IMMEDIATELY AFTER
SATURDAY			0530-0010	SIGNOFF (SSB).
SUNDAY	ONLY		0700-1110	WFTN FORMAT: Adult Contemporary/Top 40

If I can be of any service, please call or write!!

Chuck Morgan, Eng.
