Certificate of QSL

This letter serves to certify that Kelly Andrews
received radio station WEOK on February 20, 1978
between the hours of 2:22AM EST and 2:28AM EST
and that details provided are correct as stated.

WEOK broadcasts with 5000 watts of power utilizing a two tower directional antenna. We use a modified Gates BC-5P2 transmitter and a tri-band audio processor utilizing a digital peak limiter of my own design. Thanks for listening.
