Hi Kelly,

May I thank you for your DX letter.

This little note will verify your reception of WEDO. I'm Pleased to hear the big 810 roared into Richmond and at least, for a while you were able to pick us up.

I do believe the owner of this station did at one time own an outlet in Richmond. He has since sold it but still has sole ownership of WEDO. His name is Ralph Barron and resided in Florida.

It was nice hearing from you, Kelly, and if you pick us up again, please let me know.

Best Wishes,

Tommy Spence
