January 30, 1978

Dear Kelly,

I'm very happy to inform you that you indeed picked up WVFC on Friday evening January 20<sup>th</sup> from 5:33 until 5:30 p.m. EST.

Our normal sign-off for the month of January is 5:15 p.m. However, the local Civil Defense Director requested we operate until midnight, so that the public would be informed of the weather and road conditions. (We had a terrible snowstorm that day.)

At the time you heard WVFC, we were broadcasting on 250 watts.

You indeed heard the cancellations you wrote in your letter to me, as well as the songs: "If We Make It Through December" and "Walk Right Back." And you heard the announcement that we made concerning our staying on until midnight.

Kelly, I hope this letter will serve as verification of your receiving WVFC. I wish you continued good luck in your hobby.

Sincerely yours,

*J. B. Nelson*
