DEAR SIR:

THIS LETTER IS TO VERIFY YOUR REPORT OF RECEPTION OF RADIO STATION W.E.A.G. ON THE MORNING OF NOVEMBER 10 TH FROM 2:00--2:30 AM.

I'D LIKE TO THANK THOSE OF YOU WHO TOOK THE TIME TO SEND IN YOUR REPORTS AND ALSO THOSE WHO TOOK THE TIME AND EXPENSE TO CALL WHILE I WAS ON THE AIR.

FROM WHAT I GATHERED FOR THE LETTERS, A VERY BAD STORM ACROSS A WIDE AREA OF THE MID-U.S.A. AND W.S.A.N. IN ALLENTOWN, PA. MADE RECEPTION OF THIS STATION ALMOST IMPOSSIBLE, AND IN SOME AREAS WE COULDN'T BE HEARD AT ALL. MAYBE -- AT SOME FUTURE DATE -- WE COULD SCHEDULE ANOTHER TEST FOR THOSE THAT MISSED US WHEN W.S.A.N. IS OFF THE AIR AND HOPE FOR GOOD WEATHER.

A COVERAGE MAP IS ENCLOSED, AND THANKS FOR LISTENING.

SINCERELY,

Ted Teffeteller
