Dear Kelly:

So much time has gone by that I'm sure you're thinking I had forgotten all about you...but this letter is to verify your report of reception of WSKT on March 5, 1978.

On March 24th. we were granted a station in Dunlap, Tennessee. That is about twenty eight miles out of Chattanooga and will be 500 watts, daytime at 1190 on the dial. We should be on the air in about four months. We've been pretty excited and busy with that and that's why I'm late in answering your letter.

Thanks for sending along the article from Southern Living. We appreciated that so much.

Be listening in the future for Dunlap and let us hear from you again.

Sincerely,

A handwritten signature in cursive script that reads "Gerry Morgan".
