Dear Kelly:

This is to verify you received WECT-TV, Channel 6, Wilmington, N. C. on Saturday afternoon, January 22, 1966. The programs you listed from 1800 to 1833 were indeed carried by us on that date at those times.

Our tower is 997 feet tall. We broadcast 100,000 watts video and 62,000 watts audio. Our studios are in Wilmington, N. C. with the transmitter in Columbus County.

We appreciate your interest in WECT. Come to see us.

Sincerely,

E. I. Herring, Jr.
