Dear Kelly:

We confirm your reception of KIII-TV on July 13, 1967 at 1:13 p.m. EDT and thank you for letting us know, however the News with Jerry Adams and Senior Citizen and Northern Tissue ads must have been from KFDX as they were not carried on our station.

We keep track of people who receive our station and will pinpoint your reception on our map. We operate with 100 kw power and an 899 foot antenna.

Very truly yours,
