Mr. Andrews:

Thank you for your DX letter of March 12, 1976 regarding the hearing of KSKY at your location.

The only thing that makes me think that you heard KSKY is the preachers P. O. #1177, Corpus Christi, Tx and the sign-off. Otherwise, there is very little to indicate that you had the right station.

You may consider this as verification of having heard KSKY.

Very truly yours,

*Barrie M. King*  
Chief engineer.
