Mr. Kelly Andrews WPE4IGA
305 S. Jefferson St.
Goldsboro, N. C. 27530

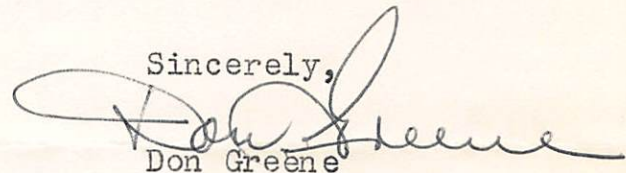

Dear Mr. Andrews:

I really apologize for taking this long to answer your inquiry and we really appreciated your letter on the reception of the station.

This will confirm your report as correct. The reason for the interference with WHEE in Martinsville, we are both on the same frequency.

Thank you again for letting us know we can get down that way, once in a while.

Sincerely,

Don Greene
