Dear Mr. Andrews,

I am sorry about being so late in answering your letter asking for verification of reception of our station in Greensboro North Carolina. This is a verification of your reception. We do sign off at 6Pm February. Enclosed is a coverage map. We have been I might say quite active in promoting the High blood pressure, not only in February but throughout the year. They just finished a week at the county fair, taking blood pressure free to all takers.

Yours truly,
