

WOHN 1440

October 10, 1976

Dear Kelly -

Sorry to take so long to get back to you. WOHN tests every 3rd Tuesday morning (Monday night) between 12:30 and 12:40 AM. This is our Monthly Frequency Check with the good folks in Catonsville Maryland, Hutton Monitoring Services.

We occasionally conduct other tests but these are pretty much as the need arises, and it's a little hard to predict them in advance. Usually we don't even decide ~~them~~ in advance.

The next tests which are scheduled are easily found on a calender, but in case you don't have one around that would be Oct 19, Nov 16, Dec 21, Jan 18, Feb 15, Mar 22, and so forth.

Yours,

Rod Morgan
Chief Engineer, WOHN

PS - Don't know how long ago you were in NC, but Gary Blau doesn't live here anymore.
