Mr. Kelly Andrews
305 S. Jefferson
Goldsboro, N. C. 27530

Dear Mr. Andrews:

This will confirm your reception of a WXGI equipment test transmission at 0013 EST, March 19, 1967.

We did indeed conduct a test transmission at that time; it was of short duration and our logs indicate its termination at 0015 -- but we'll not dispute the matter of two minutes.

Thank you for your report.

Sincerely,

R.H. Coddington
R.H. Coddington
Chief Engineer
