1000 WATTS FULL TIME

November 4, 1963

Dear Ernest,

Nice to hear from you again! Thank you very much for your fine report. It's nice to know that we came out on top of all the QRM.

This letter is to confirm your reception of this radio station on October 20, 1963 between the hours of 12:59 A.M. and 1:08:15 A.M. CST. Your report is verified by our program log for that date.

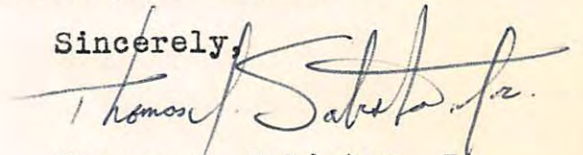

We are planning another special broadcast for the month of January in the coming year. We will sign on at 12:00 Mid-night local time and broadcast for the remainder of the morning. We sincerely hope that you might be able to join us for part of the morning.

We broadcast frequency checks every third thursday morning of each month from 2:00 A.M. til 2:15 A.M. CST. During this time we are non-directional.

Enclosed please find a program log scedule and coverage map for this area. The pattern shown is while in non-directional operation. We are directional from local sunset til sign off.

I know of no one who collects postcards, but if you wish I will be more than happy to send you some of our local surroundings. Let me know. Thanks so very much again for your report.

Sincerely,

Thomas J. Sabiston, Jr.
Studio Engineer

TJSjr/cs

P.S. We haven't decided on an exact date for our next special broadcast, but we will let the club know as soon as we do.
