Brooklyn 26, New York

Dear Mr. Cooper:

Thank you for your letter of October 12th. stating you received WETO during equipment trials.

We have received letters of reception from Dx'ers all over the Country and we appreciate them very much. We have answered each letter individually, verifying reception when requested and where justified. Your resume' of our trials certainly justifies verification. Your listed program portions of our trials corresponds with the Station's log, so you may certainly place WETO in your Dx file.

Do you have a list of Dx'ers in your "territory" available, and if so, may I have one? I would like to contact some hounds in various locations and ask for a listen. I would appreciate this.

We sign on each morning at 4:00 AM and sign off each day according to time of sunset. For October we sign off at 5:15 PM. All times are Central Standard.

Thanks again for the nice letter and should you be up and around at 4:00 AM some morning, give us a listen and another letter.

Yours very truly,

Edwin H. Estes, Manager
Gadsden Radio Company
