WETUMPKA - 'The City of Natural Beauty' - is an Indian word meaning Rumbling Waters from the shoals of the Coosa River which flows thru Wetumpka and was the site of an Indian Village long before the coming of the white man and is one of the oldest inland towns in the south, the French established a village here in 1702. Present population is 5000 about 65% white and 35% negro. W E T U went on the air in 1955 with 250 watts, went to 1000 watts in 1956 and now have an application in for 5000 watts.

Again Thanks
