Dear Sir:

This is to verify your reception report of WLAY on November 14, 1942. We were very happy to receive this report due to the fact that we recently installed a new Gates 250-C transmitter and a new 172 foot antenna.

We will not be able to dedicate our December check to the club; however maybe we can do this later. Write us again. We are always interested in reports.

Yours truly,

Garland Burt
