Dear Mr. Cooper:

Thank you for your letter of February 14th.

This is to verify the fact that you heard WOOF. We were running tests on Thursday when you heard us. We took to the air on Tuesday, February 17th, and since have been going strong. Because of our frequency of 560 and our location of the transmitter, and our ground system, our primary area is larger than any of the stations here in this vicinity.

We appreciate your good wishes.

Sincerely,

Radio WOOF
