HELPING BUILD MONTICELLO

April 8, 1955

Ernest R. Cooper, Editor
National Radio Club
438 East 21st. Street
Brooklyn, 26, New York

Dear Sir:

This is to verify your report of reception on March 29 from 3:36 to 3:42:40 Central Standard Time.

KHBM is located on the beautiful Arkansas A. & M. College Campus. Monticello is a city of 5,000 population, located 32 miles from Louisiana state line and 30 miles west of the Mississippi River in a beautiful valley. Monticello got it's name from Thomas Jefferson's historic home, Monticello. However, we pronounce it...Montisello.

KHBM will begin it's regular broadcasts on April 8 from 5:30 A.M. to 6:45 P.M. We are not an affiliate of any other station. Our call letters KHBM stand for - Help Build Monticello. I will have an early morning frequency check on the 15th of every month from 4:30 A.M. to 4:45 A.M., Central Standard Time.

I will be more than glad to send you one of our coverage maps as soon as possible.

Thanking you again for your interest in our new station, we remain...

Sincerely yours,

Tom Anderson,
Chief Engineer, KHBM
