Dear Sir:

We received your reception report and was very pleased to hear from you.

Here are a few of the things we think you will want to know about KTML.

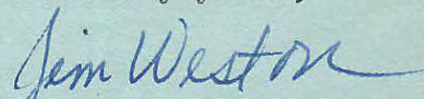

Our call letters, **KTML**, have no significance. Our regularly scheduled frequency check is every fourth Wednesday from 4 to 4:15 AM CST.

Our s/on and s/off times are 5:30 AM to 6:15 PM daily.

Marked Tree was named for a tree that was marked with an X by the indians for portage purposes.

Thanks again for the report.

Cordially yours,

Jim Weston
Chief Engineer
