Dear Sir:

This is to VERIFY the transmission times and program material as reported by you for our frequency check broadcast of February 4, 1952 from 1:00 to 1:15 am MST.

KCKY operates directional during night hours. We were operating directional when you received our signal. Your direction is definitely not favored, since we must protect KSAL in Salina, Kansas.

I hope to have some specially printed cards soon for verifications and will send you one when they are received.

Very truly yours,

John E. Hickman
Chief Engr.
