

November 15, 1938

Dear Mr. Cooper:

This will verify your report of reception of Radio Station KOY on November 8, 1938 at 12:0030 A.M. MST, at which time you heard us sign off.

Our application for 550 kc. was heard before the FCC on November 10th and as you know twenty days must elapse before there is a final decision from the FCC. This means that we can not know before December 1st. Anyway, keep trying and if we are granted the change in frequency, perhaps you will hear us there.

Thank you for your report.

Yours sincerely,

E. E. Alden, Chief Engineer
RADIO STATION K O Y
