Kynd Friend Ernest:

Thank you very much for your report.

It is a pleasure to confirm your reception  
of KYND on January 9, 1961.

KYND goes on the air at sunrise--we have no  
morning frequency checks scheduled as yet.

With every KYND wish to you!

Dick Gilbert

P.S. We have run out of coverage maps and  
haven't had any more made up because we  
have a 50,000 watt application with the FCC  
and are hoping to have word on it soon.

P.P.S. Is the Flatbush Theater still running?  
In 1941 (just before Pearl Harbor) I  
headed a show there with Desi Arnaz  
and a wonderful array of guest stars  
including Vaughn Monroe, Tito Guizar,  
Xavier Cugat, etc. etc.
