Dear Mr. Cooper:

First, I wish to verify the fact that your reception report on our Station dated November 6th has been checked against our log and found to be correct.

Your letter of the 19th refers to our dedicating a program to your DX club on the 20th of January from 12:01 to 1:00 A.M. P.S.T. This date and time will be O.K. with us and we will try to give you, as much as possible, the material you mention in your letter on our program of that date.

We will be looking forward to receiving the January 12th issue of your DX News and in the meantime will try to work up a program that your club will enjoy.

Thanking you for your letter, and with kindest wishes, I am

Yours very truly,
