Dear Ernest,

This will confirm your reception of Radio
Station KGMS between 1233, and 133

KGMS operates twenty-four hours a day, seven
days a week, serving Sacramento with the best in
music and news on the hour, every hour.

Our transmitting equipment consists of an RCA
BTA-1 MX Main Transmitter, and a Collins 20-V Aux-
iliary Main. The transmitters are located approx-
imately four miles Northwest of Sacramento.

Thank you very much for your interest in sending
us your report of reception. Your report, and others,
are being filed for future reference in connection
with sky wave studies.

Again, our sincere thanks, and the very best of
listening to you.

Very truly yours,
