Dear "Ernie"

Thank you for your letter of March 6th addressed to Mr. Dwelley, and in answer to your various questions - our station does not favor reception in the east as you will see from the map enclosed.

We first went on the air on October 30, 1961 and it is very gratifying that our signal "kkHI - hi on the dial" was received in New York State.

I also enclose our present program schedule which will assist you in identifying us when tuning in.

Thank you for your good wishes and your letter was certainly appreciated.

Sincerely
Station kkHI
